

1. **Introduction** (Name, Department, How do you identify as a person of color?)
2. **Check-In** (A lot has been happening recently, and this may provide a space to help process, feel heard, feel supported.)
3. **Topic/Question of Reflection** (If time permits, something we can reflect on and answer if individuals so choose. What do you all think would be an appropriate topic/question?)
 - Here's an example from the August 8th networking social:
 - Discuss the topics of "Mentoring"
 - Share a time when you received mentoring while in college
 - What did you like or what would you have changed
 - Are you involved in a mentoring program now or how do you mentor?
4. **Updates** (such as Retreat Rescheduled and next SFCA General Body Meeting will be on Wed, Sept 27th 11:30 – 1:00 pm in Bobcat Lair)
